

Warrigala 2026

Market and Food Stalls

After a five year pause since our last Warrigala in 2021, Warrigal Road State School and its P&C are thrilled to bring back one of our community's most loved traditions.

Warrigala has long been a highlight on the local calendar, drawing thousands of families, neighbours, alumni, and supporters for a day full of celebration, connection and fun. In 2026, we're excited to move the event to our school oval and plan to welcome more than 5,000 attendees for a vibrant day of entertainment, rides, food, performances, and activities that showcase the heart of our school community.

If you would like to host a market or food stall at this event see below for details and click through to complete an application form. **PLEASE NOTE: as the school and student council will sell drinks at the event, external vendors will not be allowed to sell soft drinks, waters, poppers etc.** Thank you for your understanding.
